I'm attaching a quick attempt at updating the task tracker, but again, there are many things on here that I'm not sure about – and it would be great if the three of us could meet for 15 mins next week and go through it really quickly, make sure all the things are on here that you want and maybe some things can already move down to completed. As an example of an item I wasn't sure about, do either of you want me to add Vulcan to the tracker?

I'll do my best to get it in good shape to hand off to Tara next Friday. Thanks,

Aaryn Jones
